

Imani Miller

Natural Hair Specialist and Interlocking Trainee

We are thrilled to introduce Imani, our talented Natural Hair Specialist and Interlocking Trainee at Naturally Loc'd. With years of experience creating stunning braids with feed-in hair, Imani brings a wealth of knowledge and a keen eye for mastering the art of interlocking.

Currently a student at Texas State University, majoring in Fine Arts, Imani combines her artistic background with her passion for natural hair care. Her dedication to perfecting her skills in interlocking is evident in her meticulous attention to detail and commitment to excellence.

Please note that booking with Imani for retightening services may take a little longer as she continues to hone her craft. At times, another stylist may assist her to ensure you receive the highest quality service. We appreciate your understanding and support as Imani grows into her role as an interlocking expert.

Thank you for choosing Naturally Loc'd. We look forward to being part of your loc journey and helping you achieve beautiful, healthy hair.

With love and purpose,

Sharika "Rika" Miller
